

Joyce's Jottings

Our Colors of Christmas unveiling starts on Thursday, August 2nd and continues on Friday, August 3rd, and Saturday, August 4th. We will be displaying our new Christmas samples and fabrics. There are kits for many of the new projects and new patterns to inspire you. We will also be having some nice discounts happening on those days. Please come by and share in the fun with us. There are also some fall samples to get you in the mood for fall.

Steve and I were finally able to celebrate our wedding anniversary with a river cruise in Europe. Be sure to ask me about the trip and how much fun we had. Aleisha was also able to spend a week with her family, soaking up those last memories with Olivia as she begins her senior year of high school. We both came back rejuvenated and ready to dream up new projects for you. A big thanks to Vicki for holding down the fort!

Have you been successful in your quest to finish your UFO's?

Grandpa's Best

Be watching for the date when Judy will be teaching Grandpa's Best. It will be in October. Choose your own colors--the scrappier the better. This will be a one day class.

Row by Row 2018

Row by Row started June 21st. Come in and pick up your pattern or kit. Our Row sample is 18' X 18" and is really cute. The kit for our Sew Musical block is \$19.95.

9th Row

This year TTQ will be participating in the 9th Row during the Row by Row campaign. We have a kit for purchase for the 9th Row for \$10. \$5 from each purchase will go to the local charity 18 Fore Life. Help us make a generous donation by purchasing a 9th row kit.

The 9th row will not count toward your 8 rows in your completed quilt. You can add it to your quilt but you must have 8 other rows in addition.
