

## *Joyce's Jottings*

As we are preparing for a new year, we want to take time to thank all of you who have made 2018 a success. We are so thankful for the friends, old and new, that have made their way to the shop this past year. We are looking forward to more quilting adventures in the year to come. Your input would be helpful as we plan new projects. Just let us know what you would like to see and we'll do our best to oblige.

After much thought and discussion, we are implementing a new class policy. All classes must be prepaid when you sign up. Class fees would be refundable up to 24 hours before class time. This is to protect the teachers who work hard to prepare for a class that appears to have several signed up just to get to class and no one is there. This policy begins on January 4th.

Aleisha and Vicky have been working to make up some new samples for Spring. The shop will be reset with these new projects right after inventory is complete. Come in and get inspired. These dreary winter days could be brightened with some pretty springy projects.

A special email will be sent to let you know when Annie's House BOM is ready. We are sorry for the delay. We are looking forward to this pretty project.

Red Bag Club will continue into 2019. It was so much fun that we couldn't just stop. Be looking for more deals especially chosen for you. If you missed the fun last year there might be a couple of spots left.

Come in and check out what we are up to, you never know, it might be just the fabric or project you were looking for.

*Happy New Year*

## Upcoming Classes

### Annie's House

We are waiting for these fabrics to come in so we can get this project in sample form. As you know from past pictures of projects, this picture does not do the quilt justice. We are hoping to start this quarterly project in late January or early February. Stay tuned for all the details. A special e-mail will be sent to let you know when this BOM will be ready.

### Happy Hearts

Come join me on Thursday, January 24th at 1pm to create this lovely Valentine's table topper. We are creating the four heart design. This will be a sit and sew project. Kits are \$24.99, pattern included. Class fee is \$5. Prepay your class fee by January 18th to have your kit cut and ready to sew.

Bring your finished project to our Valentine Celebration on February 14th and receive a free fat quarter and register for our sweetheart drawing.

### New Class Policy

After much thought and discussion, we are implementing a new class policy. All classes must be prepaid when you sign up. Class fees would be refundable up to 24 hours before class time. This is to protect the teachers who work hard to prepare for a class that appears to have several signed up just to get to class and no one is there. This policy begins on January 4<sup>th</sup>.

## *Newsworthy Stuff*

### *Digital Pinwheels*

Aleisha created this quilt from the book *One Block Quilts* and a Bella Solid jelly roll from Moda. This could be a class if anyone is interested.

The jelly roll and 4 yards of background fabric created this quilt and the two table runners.

### *Let's Party--UFO Celebration*

Those of you who have been participating in the UFO Challenge this year should plan to come to the shop on Thursday, January 17th to PARTY. The drawing for the Grand Prize will happen at 10am, but feel free to drop in anytime from 10am to 12 noon. We would love to see your completed UFO projects. Hopefully this program has helped you complete many of the projects you've had hanging around. Please RSVP to allow us to prepare enough goodies for you all.

### *Red Bag Winner*

### *Judy Zoll*

is the December Red Bag winner of her choice of a hand turned seam ripper. Congrats!

## *January and February Sales*

January 16th through the 19th we will be feeling the winter blues so badly that we will have select blue fabrics on a very cheery markdown!

February 14th through the 16th we are having a "red things sale". There will be some fun stuff and treats going on.
